

## COLORADO CENTER FOR AGING

### 2021-22 Advocacy Efforts

Updated 8-24-2021

The table below outlines issues of interest and concern to CCA that have carried over from the past year and issues that have arisen since the 2020-21 advocacy plan was developed.

At its July 12 meeting, the CCA Advocacy Committee began initial consideration of these issues, and of forming subgroups to work on the issues (including asking for volunteers) and coordinators for each subgroup. Once formed, the subgroups will meet as needed to identify the priorities with each policy issue, develop conceptual solutions, and specify policy proposals to implement the solutions. These will be reported to subsequent Advocacy Committee meetings.
