AGENDA FOR MONDAY’S MEETING

9:30AM – 10:00AM Guest Speaker - Jennifer Horn, MSW - Pikes Peak Area Council of Governments

Jennifer Horn, MSW, graduated with her bachelor's degree in Psychology from CSU-Pueblo and completed her graduate degree at Newman University in Social Work. Jennifer works in the Family Caregiver Support Center at the Pikes Peak Area Council of Governments Area Agency on Aging as a care planner, older LGBT adult educator/advocate, and Veteran advocate.

Currently, she is working with other local advocates, non-profits, and independent practitioners to develop an intergenerational program tailored towards older LGBT adults and LGBTQIA+ youth. This population is a passion of Jennifer's, and she has been researching and advocating for older LGBT adults to be included in the discussions regarding senior services and long-term care planning for nearly two decades.

“I encourage everyone to ask the difficult questions in a nonjudgmental safe space. Ask the questions the way they pop into your head, and we can take it a part piece by piece to figure out what the question really is and try to find the appropriate answer.” - Jennifer Horn, MSW

Introducing Olivia Hart,
the new Executive Assistant to the CCA Advocacy Committee

SATURDAY SPOTLIGHT

Olivia Hart

"I am a member of CCA to assist in any way possible to improve the health, wellness and livelihood of elder Coloradans."

Through my work previously as a CNA I saw a real need pertaining to issues involving abuse and neglect, behavioral health and memory care. It was in those experiences that I choose to change my path in health care to pursue law school.
