

Voices on Aging TOWN HALL EVENT

Presented by Colorado Center for Aging

When: Tuesday, November 9, 2021

Time: 10:00AM - 11:45AM

The Town Hall Meeting will be hosted virtually

Wherever you live in Colorado, we will be talking about what it is like to age in communities across the state. You will hear from the Governor’s Senior Policy Advisor on Aging, Jarett Hughes, about how the state is supporting older Coloradans.

Then we want to hear from you. As part of the registration process, you will be asked to share the challenges facing older adults in your community and the successes your community has had addressing those challenges.

Your input will set the stage for engaging community members, service providers, and public officials in conversations during this Town Hall Event. Our goal is to identify opportunities for advocacy and public policy during the 2022 General Assembly.

**This is a free event
Register Today!**

What are the challenges facing older adults in my community?

What is my community doing to address these challenges?

What is making it possible for people to age well in my community?
