- The executive director of the department of human services;
- The director of the division of veterans affairs;
- The superintendent of the Colorado school for the deaf and the blind; and
- The executive director of the department of transportation.

To demonstrate the transportation access needs of people with disabilities in both urban and rural areas of the state, the forum is directed to study the transportation access needs of people with disabilities in El Paso and Teller counties and explore technological and transportation business solutions that could increase transportation access for people with disabilities in those areas. The forum may recommend that the executive director of the department of labor and employment enter into a contract with a technology developer or transportation business to conduct one or more pilot projects in El Paso County, Teller County, or both counties to demonstrate the efficacy of a certain technology or transportation business product to improve transportation access for people with disabilities.

On or before December 31, 2017, the forum is required to publish a report of its research and findings, including the results of any pilot projects and any legislative recommendations developed, and to furnish copies of the report to the governor, members of the general assembly's majority and minority leadership, and the members of the joint budget committee.

The forum and its responsibilities are repealed, effective July 1, 2018.

The General Assembly consists of 100 members - 35 Senators and 65 Representatives. Senators serve four-year terms, while Representatives serve two-year terms. All members are limited to serving for eight consecutive years in their chamber - four terms for Representatives and two terms for Senators. As of the 2010 census, State Senators serve an average of 143,691 residents and State Representatives serve an average of 77,372 residents.

The President of the Senate, Speaker of the House of Representatives, and the Majority and Minority Leaders of each chamber serve as the primary leadership for the legislature. These six members are responsible for the day-to-day operations of the House and Senate as well as serving as the oversight authority for the legislative service agencies. Each house elects additional leadership positions as well.
