Updates from Colorado Center for Aging (CCA) and Q&A

- We encourage CCA Advocacy Subgroup Team Leads to share information on their advocacy topic.
- Colorado Center for Aging (CCA) is still looking at offering virtual advocacy training in January 2022.
- Colorado Center for Aging (CCA) is looking for feedback from our Subgroup members on whether the Cloud storage of the CCA Advocacy Research memos is useful.
Does anyone need training on how to use the cloud and access the Advocacy Topic memos or need training on using a virtual meeting solution?

For those of you on an **Advocacy Subgroup**, you have been sent a link to access advocacy resources relevant to your topic. If you need the link again email –
