# Colorado Commission on Aging

PLEASE COMPLETE YOUR APPLICATION TODAY FOR THE COLORADO COMMISSION ON AGING

We are looking for Commission members who are interested in:

- participation in a citizen-led commission focused on issues impacting older Coloradans
- policy development that empowers and supports older Coloradans
- ensuring that Colorado is the best state in which to grow old by working to implement strategies aligned with the Strategic Action Plan on Aging and Lifelong Colorado initiative

## ■ Application deadline:

May 20, 2022

## ■ New Commission will start:

September 1, 2022

## Time Requirements:

The Colorado Commission on Aging will meet virtually monthly and the volunteer time requirement will be approximately 8-10 hours a month maximum.

In 2022, the modernization of the Older Americans Act has provided an incredible opportunity to recruit new members to the expanded Colorado Commission on Aging.

## This Governor approved Commission is recruiting for the following categories of interested Colorado citizens:

Representative of higher education or the Colorado community college system	A member who represents the rural or frontier area of Colorado
A Director of an Area Agency on Aging	A representative of a local government
Representative of a long-term residential care setting	At least one member who is 60 years old or older or living with a disability or who has a family member living with a disability
Member who has extensive knowledge of workforce issues impacting older Coloradans	Coloradans who represent diverse racial, cultural, socioeconomic, gender and ability groups
One member who represents Coloradans living with dementia	Representative receiving community based or medical services that support independent living
Representative of an organization providing home-and community based services	A member of the public policy or elder law community with experience in aging policy or elder rights issues
A member with extensive knowledge/experience with transportation infrastructure and services	One representative of the business community for potential initiatives developed in the private-for-profit-sector.
Representative of the housing sector	Coloradans with a variety of political party affiliations
A member from each of the 8 Colorado congressional districts including the Western Slope and Eastern Plains	<i>We are recruiting members from all areas of the state, please feel free to apply if you are interested</i>
