

Here are the bills Rep David Ortiz wants to highlight on
Disability Rights Advocacy Day (March 1, 2023).

If there is not a bill number next to it,
then that means it is not yet introduced.

HB23-1032: Remedies Persons with Disabilities - *Rep. David Ortiz*

- A person with a disability is entitled to protections against discriminations of benefits, programs, activities with public accommodations, monetary damages and allows reasonable attorney fees and costs for any persons with disabilities facing discrimination.
- <https://leg.colorado.gov/bills/hb23-1032>

Accessibility in Housing - *Rep. David Ortiz*

- This bill requires for at least of 15% of newly constructed homes/ dwelling units be accessible as well as the public space of the buildings.

Discrimination Persons With Disability CO Outdoors - *Rep David Ortiz*

- Require shared outdoor spaces to be accessible to those with disabilities

Access to participate in State and local Govt - *Rep David Ortiz*

- Require shared State and local government spaces to be accessible to those with disabilities

HB23-1136 - Prosthetic Devices For Recreational Activity - *Rep David Ortiz*

- This bill modifies Colorado's current prosthetic coverage law so health insurance plans will be required to cover a second prosthetic device intended for physical activity for children and young adults under the age of 26.
- <https://leg.colorado.gov/bills/hb23-1136>

Foreclosure & Eviction Reasonable Accommodation - *Rep Mabrey*

- Rep Mabrey's bill would authorize a court to extend the date for a court after receiving written notice for reasonable accommodation

HB23-1120: Eviction Protections For Residential Tenants - *Rep Jospheh*
