Jeanette Hensley and Rich Mauro will lead us in reviewing bills that have been added to our CCA Bill Tracker. We will also take positions on bills that were reviewed at last week's meeting, and we will be looking for at least one member to step forward for each bill we are keeping on our list.

The list below prioritizes bills for discussion at the Monday morning meeting. **We ask that those who have volunteered to track a specific bill be prepared to report to the group on its status. Note that we are also listing committee hearing dates.**
